

Mr. Albert Stevens

VP IMCD Asia

Mr. Albert Stevens is currently Vice President Asia for the international speciality chemicals and food ingredients distributor IMCD Group B.V. based in Rotterdam, the Netherlands. In this role, Mr. Stevens is responsible for the development and implementation of the business strategies for Asia.

Mr. Stevens joined IMCD in January 2011 as General Manager for Pharmaceutical & Personal Care for Belgium, the Netherlands and Luxembourg (the Benelux). Simultaneously with his role in Europe, he played a critical role in the expansion of IMCD's pharmaceutical activities in China.

Prior to joining IMCD, Mr. Stevens gained international experience in chemical distribution and in contract research for the life sciences industry through various roles at reputable Dutch chemical firms and a research institute. He brings with him 15 years of experience in sales management and business development of speciality chemicals and food ingredients, as well as commercial management in contract research for pharmaceutical, food and chemical industries.

During his employment at one of the Dutch most highly regarded research institutes, Mr. Stevens was instrumental in turning scientific developments into practical solutions for innovative customers.

Stevens is 40 years old and holds a MSc. in Biochemistry from the University of Wageningen, Netherlands and a BA in Political Science from the University of Leiden, Netherlands. He is married and has two daughters aged 10 and 13.
